Shipston – Chipping Campden School service

Dear Passenger

7/8/19

Passes for the 2019 / 2020 academic year are now available.

Please note, passengers should be at the stop 5 minutes before the departure time to ensure they are able to catch the service. Please also note that the return times in the afternoon are dependent on when the coach is allowed to leave school and this may not always be 1545.

Behaviour

We expect a reasonable standard of behaviour on the service at all times. This includes staying in your seat and not leaving litter. We also expect passengers to follow instructions from our drivers. By travelling on the coach you are agreeing to behave in a reasonable manner.

Most of our fleet is fitted with CCTV and incidents reported by the driver will be investigated. We reserve the right to refuse travel to passengers who do not meet a reasonable standard of behaviour. In such circumstances no refund will be available for a cancelled pass. Vandalism or criminal damage will be reported to the police as such and those responsible will be invoiced for the full cost of any repairs. These costs may include but will not be limited to the actual repair as well as lost revenue should a vehicle be taken off the road due to vandalism. Please note that a full day hire for a coach can be more than £500.

Passenger fares

Passes will be checked every journey and those without a pass will have to pay to travel. The correct fare must be paid for each journey. If you do not have a pass you must pay the fare. There is no free travel because 'I'm going to get a pass soon'.
